

MATT MARSHALL

PHOTOGRAPHY

Hello everyone,

I'm writing with some exciting news!

My good friend and former business partner, Frank Lopez (some of you already know and have worked with), is available to take on some work for me. Frank employs the same photographic techniques that I use, and offers the same high quality service you've come to expect. Frank is available to offer the same products I do with the exception of drone photos/video, and digital floor plans. Here's what we've come up with...

1. When you're ready to schedule an order, you can contact Frank either by email at "info@franklinlopezphotography.com", or by phone at 760-672-9988.
2. Once your order has been scheduled with Frank, the order will be entered into my system that you already have an account with.
3. Frank will arrive to photograph your listing at the scheduled day/time, and you'll receive the same notification you always have when the images are ready. This way there won't be anything new for you to learn, no new accounts to build, and best of all, you will receive the same great products and service I strive to deliver.

I hope you find this helpful, that you're doing well, and I'm looking forward to working with you soon!
